Where are my pronouns visible in D2L?

Pronouns are visible in a few places in D2L. If you are a student, you can see pronouns in the Classlist and when hovering over a user's icon in a Discussion Post. Instructors can see pronouns in two additional places. The first place is when grading the D2L Dropbox. Simply hover over the student's image in the upper-left corner. The second place is from the User Progress page.

Students and Instructors
You can view pronouns to the right of the user's name in the Last Name, First Name column if available.
Note that I have selected "All" to view both the student and the instructor.

in the upper left of the post. When you do, a card will appear. Below the user's name, you should be able to see the user's pronoun.
Instructors Only

Dropbox: Go to an assignment in a Dropbox of your choice. Basically, go to the grade screen for a Dropbox. Then hover over the student's icon in the upper-left corner.

When you do, a card will appear with the student's name. Below the name, you should see the pronouns preferred by this student.
1. Go to the classlist and click on the drop down arrow to the right of the student's name and choose View Progress.
ess in the menu that appears. This page will give you an overview of all activities that the student has done in D2.
Hover over student's icon in the upper-left. A card should appear. Underneath the student's name, you should...
