Where are my pronouns visible in D2L?

Pronouns are visible in a few places in D2L. If you are a student, you can see pronouns in the Classlist and when hovering over a user's icon in a Discussion Post. Instructors can see pronouns in two additional places. The first place is when grading the D2L Dropbox. Simply hover over the student's image in the upper-left corner. The second place is from the User Progress page.
