GoToMeeting

GoToMeeting is a suite of Web conferencing products. The college has both faculty/staff and student licensing for these products.

- GoToMeeting allows you to host an online meeting with up to 25 people.
- GoToWebinar allows you to host a webinar with up to 100 people.
  - You can also run Q+A, polls and surveys.
- GoToTraining allows you to host a training with up to 25 people.
  - You can also charge for admission, run tests and share materials.

People can log into the system on their devices (via the GoToMeeting app) and computers or they can call in or tune in via a headset.
