POLICY

A new social sorority or fraternity may be recognized by the college only after approval from the vice president for student affairs. In order to receive approval, the petitioning organization must meet all the documentation and certification requirements as set forth by this policy. Following the submission of all documentation and certification requirements, the vice president for student affairs will review all documentation and certification requirements, and to make a final decision.

The United States Department of Education has established guidelines and criteria necessary to be classified as a social sorority or fraternity (which includes a provision that allows an organization to operate as a single-sex organization). In addition these organizations must also: (a) have tax-exempt status under Section 501(c)(7) of the Internal Revenue Code; and (b) limit membership to currently enrolled students at Canisius College.

Factors considered will be recruitment/intake numbers, membership retention, general interests and needs of the college student body, as well as any other relevant information.

If provisional recognition is granted, it will be good for a period of one (1) calendar year, defined as twelve (12) months from the date of recognition. Final determination of whether or not full recognition is given to the organization will be made by the vice president for student affairs based on the above required information and whether the provisional recognition requirements were met.

Maintaining Recognition

Full Recognition will be maintained by chapters remaining in “good standing” as evaluated by being in compliance with the Community Standards, applicable college policies, procedures and guidelines, and the additional criteria and standards established by the vice president for student affairs. Should it be determined that a chapter is not in good standing, their recognition can be revoked or they can be put on Probationary Recognition for a period of time not to exceed one calendar year.

Full recognition may be revoked by the vice president for student affairs at any time for a chapter’s failure to comply with college and/or Inter /National policies, regulations, and guidelines. If a group is accused of violating the Community Standards, the vice president for student affairs may halt all activities of the group until the Community Standards process is complete. It is possible that a chapter will lose all recognition as a result of the Community Standards process, at which point it will cease to exist at the college either permanently or for a determined period of time.
