Procedure for Working with ESL/Second Language Learners Online Students

☐ ESL/Second Language Learner students go through a process that may lead to courses that better prepare them for taking English language courses. http://www.canisius.edu/english-as-second-language/

☐ Choose a preferred method to communicate directly with the student. When communicating via email proves difficult, we recommend Skype or Web conferencing.

Zoom for Web Conferencing

☐ If needed, please contact the Tutoring Center for an ESL-specific tutor (face-to-face specific tutoring).

☐ Also, the can be directed to the ESL Program Director on campus for future course work. http://www.canisius.edu/english-as-second-language/
