### Managing your Social Media Accounts

Social media accounts are best managed from a social media dashboard. We recommend Hootsuite. Hootsuite allows you to post and manage your social media accounts.

*Social Media Management Dashboard*

- Manage Twitter, Facebook, LinkedIn, Foursquare, and Google+ Business Pages.
- ‘Streams’ aggregate your data.
- ‘Repost’ and ‘retweet’ information to multiple network.
- Schedule and auto-schedule updates.
- Assign access to multiple individuals (such as GAs and faculty members).
