Email your class, Program, or Major Students via Listservs

ITS managed program/major/courses listserv.

- Course listservs are created and updated automatically. It is your coursecode@canisius.edu. For example, RES522ONA@canisius.edu.
- Program/major listservs are created and updated automatically. It is your majorcode_ug@canisius.edu. For example, abec_ug@canisius.edu.
- Additionally, ITS can create new ones. For example, if you want one that combines certain majors to create a list for a program, IT can add a listserv to do that.
- Existing listservs (10/21/2016) listservs.xls
