Volume

The adjustment of volume is done using the VOLUME + and - buttons on the TV.

DVD or VHS Tape Playback (via the DVD/VCR combo unit)

Once the equipment is powered up, insert your disc or VHS tape into the Toshiba DVD/VCR combo unit. The combo unit is controlled using the buttons on the unit or the corresponding Toshiba remote control provided.
The TV must be set to input AV1 (below channel 2) to display the DVD/VCR image. To switch between DVD and VCR modes, press the VCR/DVD button found on the combo unit itself.

**Powering Down the Equipment**

To turn off the equipment, simply press the same two power buttons that you used to power up the equipment.
